The diagram illustrates the character limits for different paver sizes across six lines. Line 1 is the top line, and Line 6 is the bottom line. Vertical dashed lines indicate character limits: a blue dashed line at the 13th character for 4x7 pavers, a green dashed line at the 16th character for 7x8 pavers, and an orange dashed line at the 19th character for 8.5x14 pavers. To the right of the grid, three 3D rectangular blocks represent the paver sizes: a blue block labeled '4 X 7', a green block labeled '7 X 8', and an orange block labeled '8.5 X 14'. Horizontal lines are drawn under the grid: a blue line under Line 3, a green line under Line 5, and an orange line under Line 6.
