

WEEK OF JULY 17-21, 2017
(La Quarta Settimana)
CAMPO ESTIVO HIGHLIGHTS
AT CASA ITALIA

This week's theme: Rehearsal for the Grand Performance...
Prove per la Recita Finale!

Campers of different age groups:

- ❖ Were introduced to vocabulary pertaining to shapes, colors, famous Italian operas, Italian regions and sharpened their language skills while enthusiastically playing related tombola table games.
- ❖ Created a STAMP featuring the region of their parents' descent. They each focused on geography features, monuments and other symbols representing their individual region. (Group 3)
- ❖ Learned and practiced new popular Italian songs such as "Isole, Sole e Mare" and "La Danza della Pace." They have also been working very hard rehearsing for "La Storia Di Pinocchio" play. Everyone is now looking forward to the Grand performance of the last day of camp.
- ❖ Visited the Italian American Veterans Museum and familiarized themselves with the military memorabilia donated to the museum over the years. They also celebrated the accomplishments and the legacy of the bravery that dates to the birth of our nation. Special thanks to Paul Basile, our official tour guide, who took time out of his busy schedule to show the campers around.
- ❖ Loved sampling the selection of delicious cookies baked daily by Mirella Alfano, our official camp baker. Recipes available upon request.

On behalf of everyone involved in Casa Italia's Campo Estivo, we would like to extend our warmest thanks for having your child spend the last few weeks of Italian Camp with us. We have excitedly watched the campers grow and learn the Italian language. We have immensely enjoyed interacting daily with the parents of the campers as well. We look forward to seeing all of you again next year.

Enjoy the rest of your summer!

The Casa Italia Staff - Summer 2017
