

CELEBRATING OUR 14TH YEAR!

JUNE 18-29 & JULY 9-20, 2018

CASA ITALIA LANGUAGE & CULTURE SUMMER CAMP A PASSPORT TO ADVENTURE FOR OUR CHILDREN

As Italian Americans, it is our duty to raise our children, grandchildren and great-grandchildren to become good citizens of this country and to embrace the land of our ancestors.

But who knew that learning the Italian language and culture could be so much fun?

At Casa Italia's summer camp, children between the ages of 4 and 16

dance, sing, act and play their way to a deeper appreciation of all that Italy has to offer.

Along the way, they absorb key words and phrases in Italian and develop a better understanding of Italy's history and heritage.

The pride they feel as they master their numbers and colors or buy fruits and vegetables in Italian at the market is priceless, and the journey we take them on is surprisingly affordable.

For less than \$125 a week,

they go on a four-week adventure during which they dance the tarantella, sing the Italian National Anthem, make pizza from scratch, play soccer, perform in "Pinocchio," dress as gladiators, dig for buried artifacts, and plant their own garden and watch it grow.

I truly believe that there is no better way to pass along our precious culture to the next generation.

I encourage you to turn the page, learn more about our remarkable camp, and sign up for our early bird special today.

I look forward to sharing the wonders of Italy with your children, grandchildren and great-grandchildren next summer.
