# 2020 ITALIAN LANGUAGE *and* CULTURE CAMP

*Join Us This Summer!*

**JUNE 22-26 and JUNE 29-JULY 3**

If you want to send your kids to Italy this summer while keeping them close to home, Casa Italia has the summer camp for you! Our camp introduces children ages 4 to 13 to the best that Italy has to offer through a wide range of activities on our beautiful and secure grounds.

Your children will spend two full weeks exploring the language and culture of Italy through games, songs, skits, and formal and informal lessons. Activities can include music, theater, dance, archeology, cooking, baking, chess, Italian table games, bocce and soccer.

Our camp will be staffed by Lago del Bosco, the Italian camp at Concordia Language Villages, an internationally renowned summer language program in Minnesota.

Concordia's language camps are university affiliated; their counselors are thoroughly vetted, certified and trained; and their programs have been perfected over the course of six decades.

Our camp runs Monday through Friday from 9:30 a.m. to 3:30 p.m. Fees cover a nutritious lunch, snacks throughout the day and a complimentary T-shirt. The camp concludes on July 3 with a performance by the children and a family picnic luncheon.

Extended hours are available from 7-9:30 a.m. and from 3:30-6 p.m. for a fee of \$10/hour.
