# Genealogy-Family History Workshop

Discover the fascinating world of genealogy and family history at our ongoing publication workshop! Join us as we unearth captivating stories from the past and learn how to bring them to life through engaging publications---suitable for both beginners and experienced individuals.

You'll learn how to...

- ❖ Conduct family interviews.....Sort through/date/ID old photos
- ❖ Find valuable resources such as old newspaper items, legal, church documents
- ❖ Navigate genealogy sites and online archives such as *Antenati* and FamilySearch----
- ❖ Learn how to take advantage of the **Italea** program that rewards roots tourism
- ❖ Organize and document your research
- ❖ Write your family history and publish your work on Amazon

Our resource group will help you recapture your Italian Family Stories--- whether you are a beginner or an old pro. Both presenters and attendees will share their experiences.

**Dominic Candeloro**, Author & Library Curator,

**Dan Niemiec**, *Fra Noi* Genealogist,

**Jason Coleman**, creator of over 20 Casa Italia Library/Amazon books,

**Anna Angiuli Weiss**, first-time creator of Casa Italia's *Italian Women in Chicago vol 2*.

PLUS....in-person and Zoom reports from our friends who have completed the publication of their family histories.

\$15 covers continental breakfast and light lunch
